## April e-News

April, 2013

Spring is here! "Spring is the time of plans and projects." — Leo Tolstoy

**Garden Center News** The Garden Center has a fresh springtime look! We have teamed up with local artisans that offer their unique and hand-crafted items of bird baths, pottery, and distinctive custom jewelry. The walls are decorated with beautiful wall art; pictures, prints and decorative frames. We also have a huge selection of gifts, wind chimes, and unique glassware. We now feature a section for wild birding; (wooden bird houses, feeders, seed and accessories). And don't forget our Smoky Mountain Jams, Chow Chow and Honey!

**Gardening Supplies:** We carry vegetable and flower seeds, plant food & fertilizers, pesticides, Holly-Tone® products, organic mulches, indoor potting soil and planting containers.

**April Green TIP** Clean up your flower beds by cutting back dead growth of perennials, and clearing the leaves and debris from winter. Prepare your beds with a mixture of peat moss or compost. Then add a slow-release fertilizer and mix thoroughly.

**Workshop News** It was a great turnout for every one of our spring workshops. We had guest speakers, door prizes and the usual fun with Wayne. These workshops were held in the greenhouse among the beautiful and fragrant flowers. And because these workshops were so successful, we will be hosting an Early Summer Series. Look for updates on our website. Email your recommendations on topics to us at [NewHopeGreenhouse@gmail.com](mailto:NewHopeGreenhouse@gmail.com)
